Founder's Welcome Message

By Mrs. Aisha Azeem & Mrs. Tanveer Nabi

“When your purpose is rooted in passion, even dreams from overseas can bloom at home.”

🇳🇴 From Oslo, With a Dream

Our journey began in the serene streets of Oslo, Norway, where two women — mothers, dreamers, and beauty lovers — came together with one shared vision:

To create a salon that didn't just style hair or apply makeup...

...but revived confidence, elegance, and self-worth in every woman who walked through its doors.

That dream was named Revive Beauty Salon.

🌸 Empowering Women, One Brushstroke at a Time

Revive is more than a salon — it's a platform for women's empowerment.

We've trained hundreds of deserving girls — many of whom now support their families or run their own salons with pride.

Because we believe:

“When a woman earns with dignity, she lifts generations.”

🇵🇰 Bringing Beauty Back to Pakistan

After mastering international techniques and client care, we knew:

“Pakistan deserves this level of care too.”

So, we brought Revive home — opening our first branch in Bahria Town, Lahore.

Today, with Allah's grace, we proudly serve in:

- MM ALAM ROAD – LAHORE (SIGNATURE)
- BAHRIA TOWN – LAHORE
- GULBERG - GUJRAT
- KHARIAN
- JHELUM

Each branch in a prime location, each service with premium quality — and each client treated like family.

🌟 Our Mission Today

We are here not just to make you look beautiful, But to help you feel seen, heard, and truly valued.

From your big day to quiet self-care moments — Revive is here for you.

Thank you for trusting us.

This magazine is a small gift from our hearts to yours. May it inspire, inform, and most of all — make you smile.

with love

BECAUSE YOU DESERVE MORE THAN JUST A SERVICE — YOU DESERVE RESPECT, SKILL & RESULTS

BECAUSE YOU DESERVE MORE THAN JUST A SERVICE — YOU DESERVE RESPECT, SKILL & RESULTS

Why Revive?

Because You Deserve More Than
Just a Service — You Deserve
Respect, Skill & Results.

Let's be honest.

In today's fast-paced world, most salons cut corners — quick treatments, untrained hands, and no accountability.

At Revive, we decided to change that.
And it began with a simple belief:

“Every woman and every man deserves beauty services that match international standards — without flying abroad.”

That's why we brought our skills from Oslo, Norway to the heart of Pakistan, building a brand rooted in:

- Cleanliness
- Transparency
- Empathy
- and most importantly — Results you can see.

What Makes Us Different?

✓ **International Techniques**
All our staff are trained using European and UAE-level grooming protocols.

✓ **Premium Products Only**
We never use harmful bleach or expired products. Your skin is sacred.

✓ **Ladies & Gents Services**
Whether it's a bride's contour or a groom's glowing beard facial — we perfect both.

✓ **Results, Not Routines**
We don't believe in “just do the facial.” We analyze your skin, recommend a real solution, and tailor each session.

✓ **Empathy-First Staff**
Our team listens. Whether you're nervous, shy, or confused — you'll never feel judged.

✓ **Women Empowerment at Core**
We train & uplift countless underprivileged girls — so you support a bigger cause with every visit.

Your Confidence Is Not Optional—It Starts Here.

Have you ever felt:

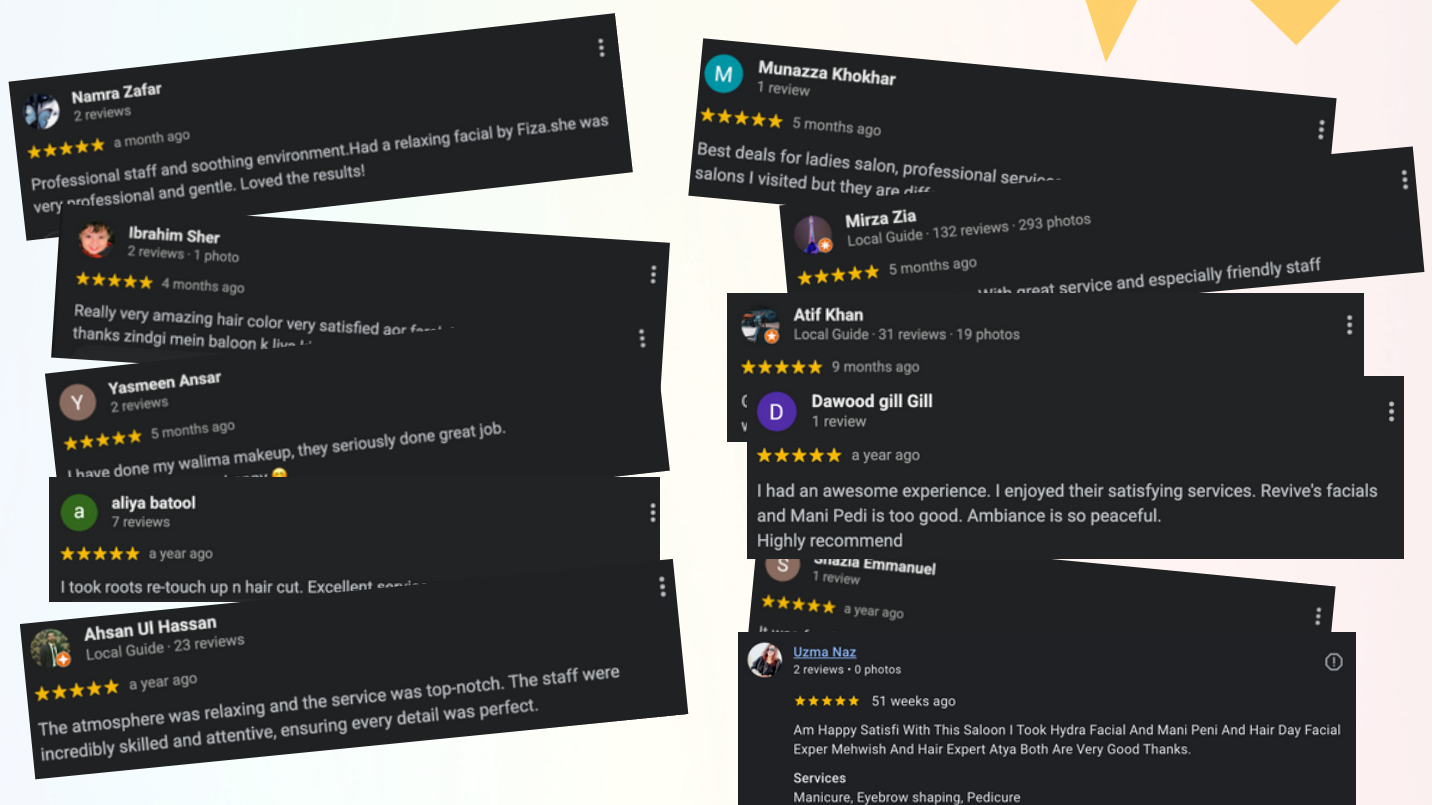

- Your skin looks tired, no matter what you try?
- Unseen, rushed, or even mishandled at a so-called “luxury” salon?
- Like your bridal glow was missing—because your prep felt more like a chore than a celebration?
- That you paid top price, but walked out feeling the same?

You're not alone. And you're not the problem.

Thousands of women have walked into Revive carrying the same doubts...
And walked out transformed—with radiant skin, real confidence, and a glow that turns heads.

We don't promise pampering.
We promise results.

Whether it's your wedding day, your dream job interview, or just your day to finally feel like you again—Revive Beauty Salon & Institute is where your next chapter begins.

Real Stories, Real Transformations

Because beauty isn't just skin-deep — it's confidence, dignity, and healing.

At Revive, we don't just apply makeup or trim hair. We listen, we care, and we help people see the version of themselves they've always wanted to become.

Here are just a few journeys that touched our hearts. ❤️

👩 Amina – The Bride Who Almost Cancelled Her Shoot

"My skin was reacting badly just 4 days before my wedding. I was scared, crying, and ready to cancel my shoot."

Amina came to our Gulberg III Lahore branch in panic. Our team gave her a 2-day skin recovery plan, calmed her nerves, and worked their magic with a hydrating pre-bridal facial + customized HD makeup.

February 2025, she glows in every wedding photo — and she still visits us every month for self-care.

💬 "Revive didn't just save my wedding look. They saved my confidence."

👨 Mubeen – From Sleepless Stress to Camera-Ready Groom

"I looked tired, dull, and honestly... not like someone ready to get married."

Usman was a groom from Gujrat who had been working night shifts during his wedding week. He booked our Men's Glow-Up Package — facial, beard detailing, dark circle treatment, and hair styling. He walked out relaxed, glowing, and completely transformed.

💬 "Even my wife couldn't believe the change. I've been a regular ever since!"

The 7 Most Common Salon Mistakes in Pakistan (and How Revive Avoids Them)

1

Using Bleach as a "Facial" ⚠️

So many salons still apply bleach and call it a skin treatment.

✗ Harsh. Damaging. Outdated.

At Revive, we use dermatologist-approved, skin-type-specific facials only.

2

No Skin or Hair Consultation ⚠️

You sit, they start — no questions asked.

We always consult, explain, and customize your service. Every time.

3

Unhygienic Tools & Towels ⚠️

Used wax sticks, dusty towels, unsterilized blackhead tools = serious infections.

At Revive, we follow strict hygiene protocols and use disposables wherever required.

4

"One Facial for All" Mindset ⚠️

Different skin = different needs. But many places offer just 1 or 2 types.

We customize facials with ingredients that match your skin's real-time condition.

5

Using Harmful, Unknown Products ⚠️

Ever been told "ye imported hai" but the bottle is blank or expired?

All our products are branded, sealed, and checked for expiry.

6

Untrained Staff on Your Wedding Day ⚠️

Imagine getting your bridal or groom look done by someone who's just "helping out."

Our bridal/groom artists are certified, experienced, and trialed in-house.

7

No Aftercare Advice ⚠️

Many salons don't guide you on what to do after your service.

Revive gives every client a mini aftercare plan with do's and don'ts.

You deserve better than guesswork and shortcuts.

When it's your skin, your hair, or your big day — trust trained hands and clean spaces.
